

Larry teaches safety with a smile!

Larry is a graduate in Mechanical Engineering Technology at Lambton College in Sarnia. He has been extensively involved with health & safety and environment for the past 20 years. He has achieved over 9 million hours with zero lost time injuries at a facility with approximately 700 employees – a feat never achieved before! Larry has also received the Individual Premier Achievement Award, the highest award attainable at AlliedSignal worldwide.

Larry Mylrea is Certified SafeStart Trainer and also facilitates SafeTrack Observation Training.

Larry is a highly requested motivational speaker in the field of Health & Safety throughout Canada and the USA.

Larry Mylrea has also been featured as the cover story of *Canadian Occupational Safety* magazine.

Larry is available for conference and corporate presentations.

Achieving Safety Excellence

“Accidents” or “Injury Free”, the choice is yours. One facility of 700 employees chose to be “Injury Free” and have recently obtained the prestigious honor of having over 9 million hours without a lost-time injury. Come and learn the secrets of this successful health and safety program. You can use these secrets to "raise the bar" and achieve a "gold standard" in safety performance levels.

Here is what attendees at Larry's sessions are saying

“Larry's the first instructor that could keep my attention for two straight days...”

“Larry is great at communicating with people...”

“Very good job Larry!”

“Very insightful! Extremely well presented!”
