

Adapted for SafeStart DVDs

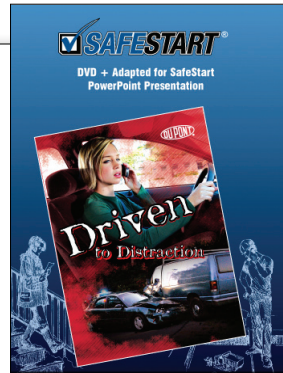

We have partnered with a global leader in compliance training, DuPont Sustainable Solutions (formerly Coastal Training Technologies), to create SafeStart Compliance DVDs, appropriate for your regularly scheduled safety training.

Accomplish your compliance requirements for key topics such as Slips, Trips and Falls and Driving Safety, while reinforcing the SafeStart concepts.

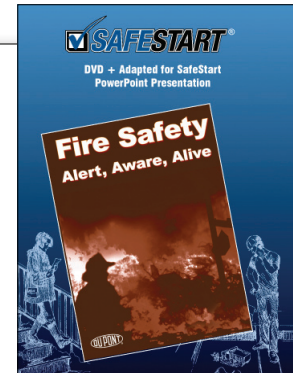

SAFETY COACH: Job Safety Analysis

Featuring Florida State head football coach Bobby Bowden, the video is based on the popular book, The Safety Coach: Job Safety Analysis 7-S263-SS

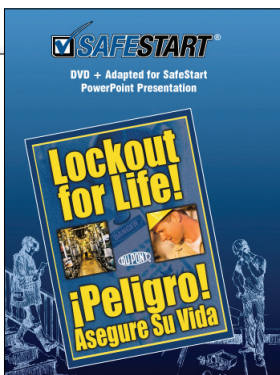

DRIVEN TO DISTRACTION

The highly popular DVD illustrates just how dangerous distracted driving can be. The main character is the embodiment of the various distractions that accompany drivers. The impact of this program is powerful and memorable. 7-S412-SS

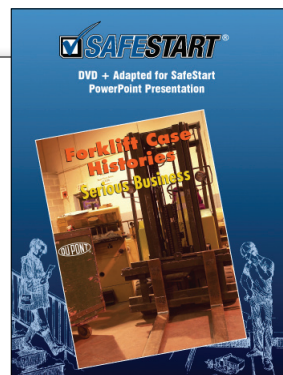

FIRE SAFETY: ALERT, AWARE, ALIVE

This program will teach employees life-saving information on the different types of fires, how they can be prevented and what to do in the event of fire. 7-S278-SS

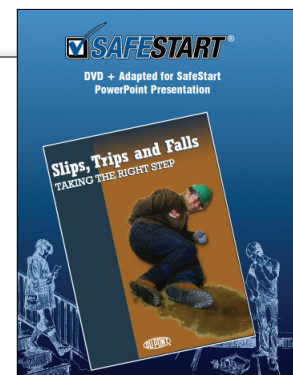

LOCKOUT FOR LIFE

This dramatic video reminds workers of proper lockout procedures and the tragic penalties for not controlling energy. A perfect refresher. 7-S39-SS

FORKLIFT CASE HISTORIES SERIOUS BUSINESS

This training program presents re-enactments of four actual accidents which occurred on or around forklifts and walkies. Your life may depend on learning from the mistakes of these victims. 7-S232-SS

SLIPS, TRIPS AND FALLS: TAKING THE RIGHT STEPS

This high-impact training program advocates solid safety measures: awareness, good housekeeping and proper equipment use. 7-S320-SS

Get great DuPont Sustainable Solutions content adapted for SafeStart concepts! These DVDs contain SafeStart leader's material to help you present the subject easily at your next safety meeting. Keep SafeStart fresh at your facility by enhancing your training with these excellent DVDs.
